

# KINGDOM PRESENTATION

## HOUSE RULES

Love & Truth is the WAY forward. Evidence FACTS provide transparency. I will endeavour to support my WORD with the Spirit of Truth and evidenced proof, to the best of my ability. So, help me God.

You have been invited to listen to a Kingdom presentation. If you connect with the information and would like to move to the next stage, I will send you a ZOOM link to another group session, run by another presenter.

If you do not resonate, then I thank you for your attendance and wish you well on your journey of discovery.

- During the presentation, ALL participants to remain on mute please, so there are NO distractions.
- Salem is peace of mind. Make this a SAFE place for ALL.
- Show courtesy and respect to all attendees and speakers.
- Raise your hand if you want to speak.
- Type your questions into the CHAT group for a Q & A discussion at the end.
- I will try to keep this to a 1 Hour meeting, but that depends on the Q & A discussion.
- HERE are links to the Kingdom Infrastructure for you to do your own research and due diligence.
